

'Mobile learning: Crossing boundaries in convergent environments' Conference

Source: [http://www.londonmobilelearning.net/downloads/Bremen\\_programme.pdf](http://www.londonmobilelearning.net/downloads/Bremen_programme.pdf)

(programme v 3.0; Mar 18, 2011)

Monday, 21st March 2011

	Weser (114 / 30)	Hunte (35 / 12)	Oste (35 / 14)	Wümme (24 / 10)	Lounge (10)	Foyer
09:00	Registration & Coffee					
09:30	Judith Seipold, Graham Attwell: Welcome note					
10:00	Keynote & Discussion Daniela Reimann: Mobile Media in Creative Processes, Art and Education					
11:00	Coffee break					
11:30	John Potter: Creation and curatorship in new media  Judith Seipold: A critical perspective on mobile learning: Results of a heuristic analysis of the scientific process and a hermeneutic analysis of mobile learning practice  Research paper slot: Theory (Chair: Norbert Pachler)	Pierre-Yves Gicquel, Dominique Lenne: Towards contextualized annotations to improve learning in museum  Nicola Beddall-Hill: It's not what you know but the device you know: The influence of ownership on appropriation of mobile devices for learning on field trips  Video contribution  Research paper slot: location (Chair: Eileen Lübecke)	Ozlem Ozan, Mehmet Kesim: Providing Scaffolding by using mobile applications in connectivist learning environment  John Cook: Longitudinal, Educational Design Research Investigation of the Temporal Nature of Learning: Taking a Vygotskian Approach  Research paper slot: Vygotski & learning (Chair: John Cook)	Julia Liebscher: Mobile Learning in der Lehrveranstaltung "Industrielles Projektmanagement" - Unterstützung selbstorganisierter und kollaborativer Lernprozesse durch iPods  Sandra Schön, Diana Wieden-Bischof: Mobile Lerngemeinschaften: Beispiele, Erfolgsfaktoren und Stolpersteine  Workshop slot: Mobile learning in schools (German)  Unconferencing	Graham Attwell: Radio Workshop  Unconferencing	
12:45	Lunch  1 <sup>st</sup> floor Sounds of the Bazaar, live radio from #MLCB					
14:00	John Cuthell, Andy Black, Karsten Wolf: MirandaMod on Mobile and Networked Learning  MirandaMod  Workshop slot: Health care (Chair: Christoph Pimmer)	Christopher Murray, Ceridwen Coulyb: The use of iPhones in Medical Education  Workshop slot: Health care	Thomas Beller: Place and Voice in the Urban Grid  Video contribution  Laura Crane, Phillip Benachour, Paul Coulton: Exploring the Order of Precedence when Using Contextual Dimensions for Mobile Information Delivery  Research paper slot: location (continued)  Katharine Willis: Technology Narratives and Mobile Spatial Learning  Research paper slot: Computing and programming (Chair: Klaus Rummier)	Rudolf Kammerl, Lucia Müller: Mobile Learning in School  Workshop includes:  14:10 Lucia Müller, Rudolf Kammerl: Individualized Education within the Hamburg Netbook Project  14:30 Erich Herber: Flexible Learning with Netbooks  14:50 Ralf Appelt: Paducation  15:10 Antje Breitkopf: Observations of "Una Laptop por Niño" - OLPC Peru  Workshop slot: Mobile learning in schools  Unconferencing: Exchange among participants and discussion panel.	Carl Smith: Using Theory to Drive the Design of Mixed Reality Visualisation Systems  Research paper slot: design and arts (Chair: Judith Seipold)  Paolo Cirio: "Recombinant Fiction" theoretical paper and manifesto, 2008 - 2010, by Paolo Cirio  Video contribution	Free for autonomous unconferencing  Unconferencing
15:30	Coffee break					
16:00	Research paper slot: Health care (Chair: Christoph Pimmer)  Aileen Chang, Sankalpo Ghose, Ryan Littman-Quinn, Andrea Kyer, Loeto Mazhani, Anne Seymour, Carrie Kovarik: Mobile (Cellular) Telemonitoring in Botswana		Martin Ebner, Sandra Schön: L3T assists m-learning  Peter A. Bruck: Mobile MicroLearning: What else? - How to fit knowledge to the small screen in your pocket  Research paper slot: Computing and programming (Chair: Klaus Rummier)	Unconferencing: Exchange among participants and discussion panel.	Paper jam (collaborative paper writing, public output obligatory)  Unconferencing	
17:00	Transfer					
17:15	Eileen Lübecke, Klaus Rummier: Closing session by using speed debate format, enhanced by Wiffity					
18:00	END					

Tuesday, 22nd March 2011

	Weser (114 / 30)	Hunte (35 / 12)	Oste (35 / 14)	Wümme (24 / 10)	Lounge (10)	Foyer
09:00	Registration & Coffee					
09:30	Norbert Pachler: Introductory note					
10:00	Keynote & Discussion Helen Keegan: Guerrilla Productions for Very Small Screens: Transformations through Mobile Creativity					
11:00	Coffee break					
11:30	Graham Attwell: Using mobile devices to support Careers Advice, information and Guidance  Dennis Krannich, Eva-Sophie Katterfeldt: Supporting Learning on Building Sites with Mobile Technologies  Research paper slot: Vocational education (Chair: Eileen Lübecke)	Sujan Shrestha, John P. T. Moore, José Abdelnour Nocera: Offline Mobile Learning With Copyleft Hardware  Daniel Spikol: A Design Toolkit for Next Generation Mobile Learning  Research paper slot: Computing and programming (Chair: Klaus Rummier)	Christoph Pimmer, Norbert Pachler, Urs Genewein: The potential of smartphones to mediate intra-hospital communication and learning practices of doctors. Preliminary results from a scenario-based study  Jill Taylor, Christine Dearnley, Julie Laxton, Idah Nkosana-Nyawata, Shupikai Rinomhota: Using mobile 360° performance feedback tools in Health and Social Care practice placement settings: An evaluation from the students' perspective  Research paper slot: Health care (Chair: Christoph Pimmer)	Paivi Aarreniemi-Jokipello, Merja Alanko-Turunen: An invitation to a joint post-assignment reflection - using podcasts as media for offering reflective space within vocational teacher education  Anke Königshulte: The Case for Audio in Mobile Learning  Research paper & unconferencing slot: Audio (Chair: Dirk Stieglitz)	Oliver Pincus: Providing training handouts for corporate learning as ePub files for mobile devices and e-reader  Hands-on session  Andy Black: Near and Far Contemplating (NFC) the future trends in Mobile and what's happening right here right now	Speed dating + shared experience session  Unconferencing
12:30	Lunch  1 <sup>st</sup> floor Sounds of the Bazaar, live radio from #MLCB					
13:45	Sara Mielcke: Augmented reality as a tool for mobile learning and a method for scholarly dissemination  Ilona Buchem, Mar Camacho: M-project: First Steps to Applying Action Research in Designing a Mobile Learning Course in Higher Education  Kate Reader, Ajmal Sultany, Sian Lindsay: Just because they own them, doesn't mean they use them: Exploring the potential for mobile learning in Higher Education  Research paper slot: Mobile learning in higher education (Chair: Karsten Wolf)	John Traxler: Learning, Mobiles & Development  Workshop slot: Learning, Mobiles & Development  Andy Black, Geoff Stead: Mobile learning isn't one flavour or one approach it's a whole grocery store  Workshop slot: Learning, Mobiles & Development	Ceridwen Coulyb, Alice Huskinson, Prabhjyot Kler, Julie Laxton, Catherine MacMillan, Helen Macrorie: How should mobile learning be evaluated?  Research paper & workshop slot: Evaluation	Jörg Neumann, Jens Schulz, Anja Lorenz, Mike Hailbauer, Christian Meier: mobileTUD - der lange Weg zum „mobilen Ruhm“  Erich Herber: Lerninfrastrukturen für mobiles Lernen - Institutionelle Rahmenbedingungen bei der Einführung mobiler Lerntechnologien  Workshop slot: Mobile learning in higher education (German)	Paper jam and presentation (collaborative paper writing, public output obligatory)  Unconferencing	Sven Schulte, Torsten Grantz: Mobiles Lernen im Arbeitsprozess - das Projekt Vila-b  Ilka Koppel: Otu.lea - Potenziale einer Online-Testumgebung für funktionale AnalphabetInnen und Mobile Learning  German & English (Chairs: Eileen Lübecke, Graham Attwell)  Teemu Mikkonen, Harri Jurvela, Mikko Vuorinen: Mobile Collaborative Learning in Conference Context  Poster presentation in MoLeaP - the mobile learning project database  Judith Seipold: MoLeaP - the mobile learning project database
15:30	Coffee break					
16:00	John Cuthell, Christina Preston: Learning in Liminal Spaces  Erich Herber, Stephan Waba: It's not a netbook - it's a lifestyle! How could mobile technologies be used didactically to bridge formal and informal learning?  Research paper slot: learning (Chair: Judith Seipold)	Saeed Zare: Personalized Mobile Learning for People with Special Needs  Research paper & unconferencing slot: inclusion	Klaus Rummier, Helen Keegan, John Potter, Karsten Wolf: Media production with small devices in formal and informal educational settings  Unconferencing	German unconferencing (e.g. world café)  Workshop slot: Mobile learning in higher education (German)		Free for autonomous unconferencing  Unconferencing
17:00	Transfer					
17:15	Klaus Rummier, Norbert Pachler: Closing summary note					
18:00	END
